Training in Tally with GST

The programme Training in Tally with GST was introduced in 2012 in Shillong Commerce College and conducted by Alma Education Centre, located in Rynjah, Shillong. This centre is affiliated to Asiatic Liberal Multifarious Association Limited, Indore, which is a certified company established in 1999 with a mission to provide computer education to both urban and rural India. It has been registered under the Ministry of Company & Affairs, GOI as well as NGO Work related to Ministry of Social Justice, GOI.

Objective of the program:

The program was introduced with the aim of training students of the Commerce department in Tally ERP9 with GST through instructor-led classroom teaching as well as hands-on practice. This would equip them with key employability skills such as knowledge on practical business book-keeping, knowledge on accounting in Tally ERP9, knowledge on technologies direct and indirect taxation, knowledge on banking, insurance and accounting, payroll processing skills, GST and other related skills.

Duration of programme:

This training programme was held over a period of thirty days. Each training session was conducted for two hours per day, with both morning and afternoon sessions.

- Creating inventory masters
- Recording accounting vouchers with bill details in Tally Prime

Assessment:

Post completion of the training programme, an assessment was conducted by the trainers for individual grading of the students. This assessment was divided into two verticals: practical and written.

The practical assessment was based on problems which were given during practical classes and the written assessment was a set of questions based on the topics that were covered. A final project was also given to the students individually. Both assessments were required to pass the training programme. The grades were tallied accordingly and were recorded in the scoresheet. Finally, certificates were granted to the students upon completion of the programme.
